

A meeting of the Parish Council took place on Monday, 25th February 2019 at 6.30pm in the village hall.

Present: Cllrs. Abu-Hejleh, Cushing and Whitmore and the clerk.

As this was a meeting to discuss planning applications, no minutes were read nor other business considered.

Planning Application DC/19/0598/FUL. Two storey side extension to dwelling at 7, Church Lane, Eyke IP12 2QT.

Councillors supported this application.

Planning Application: DC/19/0146/FUL. Erection of conservatory at Badgers Bend, Eyke. *Potential referral of planning application.*

The Parish Council had not responded to the original application, as the clerk was on holiday. However, the council has now been asked if it wishes to refer the application to the planning committee, since a trigger point has been activated. An objection has been made raising material objections within the prescribed consultation period when officers are minded to approve. Councillors felt that they would have supported the original application, and thus did not support a referral.

The meeting closed at 6.50pm.
