

A meeting of the Parish Council was held on Thursday, 19th December 2019 at 6.30pm in Eyke Village Hall. As this was an extraordinary meeting to discuss a planning application, no minutes were read, nor other business considered.

Present: Cllrs. Clark and Fleming, Cllr Cushing having sent last minute apologies, and his view that there is no objection, by e mail, and the clerk.

Planning application: DC/19/3720/LBC.

Proposal: Listed building consent: internal partition wall was a health and safety hazard, the wall was both partially down, or cracked, the bricks therefore have now mostly been removed back to a safe and sturdy position. Consent is now required because I would like to keep it this way.

Address: Elephant and Castle Inn, The Street, Eyke IP12 2QG

The application was supported.

The meeting closed at 6.40pm.
